INSTRUCTIONAL GUIDE

Tips for using these slides

1. SET A PURPOSE

Objective: In this article, students will be able to read and analyze an informational news article by identifying key ideas, supporting details, and text features to enhance comprehension.

Use the **Discussion Question** on the next slide to engage students with the topic.

2. INTRODUCE VOCABULARY WORDS

Pre-teach unfamiliar words with student-friendly definitions and model sentences.

profit: total gain; money earned from selling minus the money it costs to make a product

routes: paths

revenue: money made

surge: increased quickly

3. ACTIVATE PRIOR KNOWLEDGE

Help students make connections and stay engaged using discussion prompts and images.

4. GUIDE INSTRUCTION

Read or listen to the article in News-O-Matic with your students.

5. EXTEND THE LEARNING

Deepen students' understanding with the video, the Fact/Act feature, or the interactive map in the article.

6. CHECK FOR UNDERSTANDING

Ask questions to monitor student progress and comprehension. Answer key slides can be found after each set of multiple choice and/or open-ended questions.

Discussion Question

If you could buy shares of Nvidia or Ryanair today, which one would you buy? Explain why you would choose to invest in that company.

profit

Part of Speech: noun
